The Ideal Setting for Your International Business Success Story

International businesses seeking a U.S. presence find Fairfax County attractive for a number of reasons, including:

- A vibrant business community of entrepreneurial startups, internationally recognized technology leaders and large global corporations:
 - A diverse mix of more than 8,900 technology businesses employing 146,000 workers—one in four jobs countywide;
 - Eight Fortune 500 headquarters: Booz Allen Hamilton, Capital One Financial, CSC, Freddie Mac, General Dynamics, Hilton Worldwide, Northrop Grumman and NVR;
 - Offices of 125 companies on the Inc. 5000 list of fastest-growing U.S. firms;
 - Offices of 82 of the top 100 U.S. federal government information technology contractors; and,
 - Companies that received \$22.8 billion in U.S. federal government contract awards in fiscal year 2015.
- A highly educated, ethnically and internationally diverse workforce and regional market of more than six million people;
- One of the largest commercial office markets in the U.S., with 116.5 million square feet of office space;
- Direct links to global markets through Washington Dulles International Airport, a major transatlantic gateway serving 47 international destinations and 79 nonstop U.S. destinations;
- Proximity to the U.S. federal government; and
- Proximity to international financial institutions, legal experts, the diplomatic community and embassies.
