BUSINESS TAXES

VIRGINIA

Corporate Income Tax

The Virginia **corporate income tax rate is 6%** of taxable corporate income. All corporations registered with the Virginia State Corporation Commission must file a corporate income tax return with the Virginia Department of Taxation, with certain exceptions:

- **Nonprofit corporations** that are exempt from federal income tax must file and pay taxes only on non-related business taxable income.
- **Banks, trust companies, credit unions, insurance companies and public service corporations** (other than railroads, telecommunications companies, electric suppliers, pipeline distribution companies, gas utilities and gas suppliers) pay other taxes in lieu of the corporate income tax.
- **S-corporations, partnerships and sole proprietorships** also are exempt from this tax, but should contact the Virginia Department of Taxation to determine other tax and reporting requirements.

For more information, visit tax.virginia.gov.

Sales and Use Tax

The sales and use tax is levied on retail sales or leases of equipment, furniture and supplies. The tax rate is 6% and is collected at the point of sale.

- Certain purchases are exempt from sales and use tax, including:
 - custom computer software
 - data center equipment
 - spaceport activities
 - items used in research and development
 - items used directly in industrial production, including raw materials
 - materials used in the manufacture of semiconductors and semiconductor wafers

For more information, visit the Virginia Department of Taxation website at tax.virginia.gov. Information on this tax is also available on the Fairfax County Department of Tax Administration website at fairfaxcounty.gov/taxes.

Annual Corporate Registration Fee

All corporations authorized to transact business in Virginia must pay an annual registration fee. The fee is \$100 for corporations with 5,000 or fewer shares of authorized capital stock. Corporations with more than 5,000 shares pay \$100 plus \$30 for each additional 5,000 shares (or fractions thereof), up to a maximum fee of \$1,700. Non-stock corporations pay an annual fee of \$25. Limited Liability Companies, Limited Partnerships and Business Trusts pay \$50 annually.

For more information, visit the Virginia State Corporation Commission website – scc.virginia.gov.

Withholding Tax

If federal law requires an employer to hold tax from any payment, Virginia also requires withholding. If required to file withholding returns, an employer must register for withholding tax, file income tax withholding returns and pay the income tax to the Virginia Department of Taxation. Virginia deems amounts withheld as payment in trust for the employee's tax liability. Employers are responsible for timely payment and filing of their incurred withholding liability. Employers must also file the withholding forms whether or not there is withholding tax owed. Withholding tax payments are due as follows:

Withholding Liability for Month	Due
Less than \$100	Quarterly
\$100 – \$999	Monthly
\$1,000 or more	Semi-weekly

For more information, visit the Virginia Department of Taxation website at tax.virginia.gov.

Workers' Compensation Insurance

Employers with three or more employees regularly in service in the same business in Virginia must purchase and maintain workers' compensation insurance with a private insurance carrier, have a certificate of self-insurance issued by the Virginia Workers' Compensation Commission, or be a member of a licensed group self-insurance association. The cost varies by industry, occupation, state and insurance carrier.

For more information, visit the Virginia Workers' Compensation Commission website at workcomp.virginia.gov/content/employers.

Unemployment Insurance Tax

Employers must register with the Virginia Employment Commission and pay unemployment insurance tax if they employ one or more persons for 20 or more weeks during a calendar year, or if they pay wages of \$1,500 or more during any calendar quarter.

For more information, contact the Virginia Employment Commission at vec.virginia.gov/employers/unemployment-insurance-information.

BUSINESS TAXES

FAIRFAX COUNTY

Business, Professional and Occupational License (BPOL) Tax

All businesses (including home-based enterprises and self-employed individuals) located or operating in Fairfax County that have annual gross receipts greater than \$10,000 are assessed a Business, Professional and Occupational License (BPOL) tax. Businesses located in the towns of Clifton, Herndon or Vienna, or in the incorporated cities of Fairfax or Falls Church, are not subject to Fairfax County's BPOL tax, but should check business license requirements for those jurisdictions.

New businesses must file a business license application and pay any taxes due within 75 days of the date the business began in Fairfax County. Business license renewal applications must be filed and taxes paid each year by March 1.
